Beloved Brethren,

Welcome to July, the month of your divine jubilation!

Seven signifies perfection, completion, and divine rest (Genesis 2:2-3). In this seventh month, God will perfect everything concerning you and grant you rest on every side (1 Kings 5:4).

Your overwhelming love, prayers, and generosity shown during my birthday celebration in June, and your steadfastness in following the PPN Programmes reflects Christ's love. God richly reward and bless you, in Jesus name. Amen.

We proceed in this year of Restored 2026, with a powerful spiritual shift. From TEQUAH when we were engraced to arise again from every limitation (Isaiah 60:1), into our RADAH season, to stand and take dominion (Genesis 1:28). We can reign over circumstances, subdue challenges, and possess our possessions (Obadiah 1:17).

To secure this shift, I urge you to reposition yourselves spiritually by participating in the RADAH Fast from July 6th to 19th. As we wait on the Lord, He will renew our strength and equip our hands for dominion (Isaiah 40:31, Psalm 18:34).

Beyond this fast, we eagerly anticipate our Annual Healing and Deliverance Conference in Manchester from 13th to 15th August 2026. It will be an encounter that breaks ancient yokes, and lifts you to heights that minds cannot imagine (1 Corinthians 2:9). Please "prepare to meet your God" (Amos 4:12).

Our God will provide all your needs. He will preserve your going out and coming in. Step into July with boldness, for your season to take dominion is here! Remain blessed, and be expectant!

Neck Pain Vanished during the ministration of Evan. Ikechukwu Peter - *Ukamaka Eze*

(Birmingham 2025 Online participant)

Glory to God for the healing of my neck.

For years, I had been suffering from serious neck pain and I relied on painkillers to subside it temporarily. I often had to hold my neck with my hand just to ease the discomfort.

But during the Birmingham 2025 August Conference, God located me through His servant, Evan. Ikechukwu. Before joining the program, the pain was almost unbearable. That day, Evan. Ikechukwu instructed us to bid a final goodbye to any challenge we didn't want to see again. I prayed and cried before God, saying goodbye to that problem once and for all.

Then something amazing happened. Evan. Ikechukwu mentioned my case. From that very moment till today, I have not felt the pain in my neck again. Praise God!

Thank You, Jesus Christ, for healing the pain on my neck. Amen.

On the **4th of July 2026**, Prayer Power Network marked 40 Days to the much anticipated PPN Annual Healing and Deliverance Conference.

Guest Minister Spotlight: Evangelist Ikechukwu Peter

Evangelist Ikechukwu Peter is a dynamic, globally sought-after preacher, and a prophetic voice known for his intense demonstration of God's power. Operating with a distinct mantle for deliverance and healing.

His ministration is consistently accompanied by notable miracles, signs and wonders, leaving people to marvel that "The gods are come down to us in the likeness of men" (Acts 14:11).

His Passion

He is the President of The White Camp Global Christian Mission, a revivalist, with a passion for **soul winning**.

A regular, at Prayer Power Network

He is a regular guest minister at Prayer Power Network, and has featured in our Annual Conferences of previous years. At the Healing and Deliverance Conference, Birmingham 2025, he ministered with profound apostolic authority, unlocking keys to breaking ancestral embargoes and releasing immediate supernatural deliverance to a number of attendees at the conference.

In his powerful ministration at the PPN 30-Day Prayer and Fasting in January 2026, Evangelist Ikechukwu Peter delivered a transformative message titled "Flourishing Like A Palm Tree," revealing how believers can maintain supernatural resilience, growth, and fruitfulness even in the harshest seasons of life.

An impactful author

Beyond the altar, he is an impactful author. In his gripping, eye-opening book, *The Field of Blood: Exploring the mystery of redemption*, he writes about the significance of the blood and the benefits of the blood of Jesus. He masterfully exposes the hidden spiritual traps of betrayal, greed, and enemy altars, giving believers the exact prophetic warfare strategies needed to reclaim their destiny and walk in total victory. An Exclusive Interview with Pastor Henry

The PPN Newsletter had the privilege to meet with Pastor Henry. We bring to you the heartbeat of the man of God, to whom God has given the mandate for this online Ministry, Prayer Power Network. His desire is to see God touch, and transform lives.

God said He will give us pastors to feed us with knowledge and understanding (Jeremiah 3:15), and God found 'Henry'; with His holy oil has He anointed him (Psalm 89:20) to be a deliverer in this generation (Obadiah 1:21).

1. More anointing in this your new age. Guess June was an eventful month for you. What stands out most about God's faithfulness to you, and PPN?

June has been a beautiful reminder that God is faithful. From the TEQUMAH season to the 18-hour prayer marathon, my birthday, Father's Day, and preparations for Manchester 2026, we've seen God exceed our expectations. **The greatest joy for me is seeing lives transformed.** God has proved that when we pray, He responds.

2. What inspired the maiden 18-hour Prayer Marathon, and what stood out to you?

The Lord laid it on my heart to stretch our spiritual capacity. **Prayer is not about duration but transformation.** The testimonies of healing, deliverance, restoration, and renewed passion for God have been overwhelming. We discovered that we can pray longer than we thought - and God can do far more than we imagined!

3. What are your reflections on the TEQUMAH season?

TEQUMAH means "Arise Again!" and that is exactly what happened. Many **people arose from discouragement into purpose**, from weakness into strength, and from routine into revival. I believe this season has positioned us for greater things ahead.

4. How do you balance family and ministry so well?

By God's grace and with the support of my wonderful family. **Ministry begins at home**, and I always remind myself that the first people I should pastor well are those God has given me. Besides, my family occasionally reminds me that not every meeting is more important than dinner! lol

5. How do you feel in this new age?

I am grateful, and feel **more committed to God's purpose**. This new season is not just about getting older but becoming wiser, and serving better faithfully.

6. What would you say concerning Manchester 2026 Healing and Deliverance Conference?

Come with expectation! Manchester 2026 is more than a conference; it is a divine appointment. If you are hungry for healing, deliverance, revival, or a fresh encounter with God, don't miss it. Come, and bring someone with you.

7. Can you give us an insight into the next season for PPN?

God is enlarging our influence beyond individuals, to cities and nations. We are entering **a season of greater impact**, deeper prayer, stronger discipleship, and unprecedented manifestations of God's power. **IT IS OUR RADAH SEASON.**

8. What is your takeaway message for our readers?

Remain faithful and close to God. Never stop praying. Your current season is not your final destination. **Keep trusting** Him because the best is still ahead. Remember, God is never late - His timing is perfect. **YOUR RADAH IS HERE!**

The Lord has done great and mighty things in the past PPN Annual Healing and Deliverance Conferences. *My family and I are Attending*

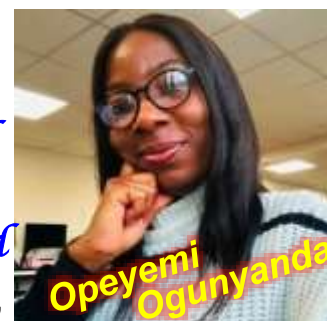

Bro. Cornelius Omachonu & Family

This is why my family and I are attending this year. **Though participating virtually, I know distance is no barrier.** Every obstacle must give way!

From August 13th to 15th 2026, God will specially visit us, and He will specially visit you too if you connect!

Ready to be Equipped and Recharged

Hello Brethren,

I will be attending the Manchester 2026 Conference in person.

I believe God for a fresh wave of spiritual empowerment. **I am coming with an expectant heart**, ready to be equipped and recharged for the season ahead.

Having attended past conferences, I truly anticipate that Manchester will be supercharged, with instant miracles, even more intense and powerful than previous experiences.

If believing God for a particular miracle, endeavor to attend as this could be your set time to receive that long-awaited miracle.

This is our restoration season. Don't miss what God is doing. It is time to step into your portion! See you there!
