Pastoral Corner

On behalf of Prayer Power Network (PPN), we welcome you into the month of July 2025. It is the month of OPEN DOORS, and PERFECTION. Ensure you join our programmes to claim yours.

We thank God for the success of the first half of this year, and by the grace of God, in this second half we will experience more provoking, and record-breaking victories! You will not be left behind (Exodus 14:28-29), in Jesus name.

This is the time to reassess our spiritual life, and ensure we are caught up in the revival. The wind of God will be blowing (Ezekiel 37:9-10). Be vigilant, and take extra oil for your lamp (Matthew 25:3-4). God has prepared several feasts (Isaiah 25:6-8).

We are happy to announce to you that ***Birmingham 2025*** is one of God's great feasts. It is the PPN Annual Healing and Deliverance Conference, taking place between the 7th and 9th of August in Birmingham, United Kingdom. This is an in-person meeting, where you will experience instant miracles, spiritual eye opening, upliftment, impartation, and above all, the sweet presence of God.

It is an experience that will speak for generations to come. We are looking forward to meeting you physically in Birmingham 2025.

Remain blessed.

Hello Friends,

We, the Olajide family, are privileged to have attended past PPN physical programmes, and our experiences have been progressive - Aberdeen was great, Liverpool greater, Edinburgh exceedingly great, and the Birmingham August 2025 will be...; Oh! let us not fill in the word yet because, by the time you attend the programme, you will be short of words. For the Edinburgh program, we prepared with joy, as we knew our time had come. The result was encounters, even after the event. On-site or online, make Birmingham 2025 a time with God. Bring your empty vessels, not a few, because, God will fill you to overflowing. Yes, YOU.

Experiences At Past PPN Annual Conferences

Testimony of deliverance from strange feeling

My family and I are always optimistic about PPN physical meetings. We all know that in the UK, physical programmes where you have time for spiritual renewal, and refreshing time before God, is not common. So, we do sieze the opportunity to be present physically at PPN in-person programmes.

Myself and my family have had several encounters through these programmes, held in different places like Aberdeen, Liverpool, and Edinburgh.

One unforgettable experience was at the PPN Edinburgh Conference 2024. Before the programme, I had this strange feeling, of perceiving smoke around me, which I could not control. I mentioned the challenge to Evangelist Ikechukwu, who then gave me an illustration and explained that it was an attack of the mind. From the illustration, he taught me how to overcome the thought in the mind. He also prayed with me, and eventually, the feeling faded away. I have not had the challenge till today. Praise the Lord!

Testimony of God's Faithfulness

From Edinburgh 2024

Jesus Iye, you have done it again
Jesus Iye, in your special way
What was impossible, you made possible
Jesus Iye!!!

We were believing God to secure a property and we have made several attempts which failed in the past.

In the beginning of the year, the Lord spoke to me that "before I open my eyes and close it, we'll be in our house this year" but when we tried in May, the mortgage adviser told us that it is not possible except we have more money.

In July, she reached out to us again and we started viewing some houses. The day the Edinburgh programme started, I showed Pastor Henry the picture of the house we were interested in.

I told Pastor that we were advised to add more money, to have a better chance but we didn't have the money. He asked if we'd viewed it and if we liked it. When I confirmed we do, he said we shouldn't worry and made a declaration that we will not need to add more money.

During the programme, it was confirmed that the seller was happy with the price we placed on the property. The processing started, before we knew it, the mortgage was approved and the missive was signed. The process was very quick, exactly how the Lord had said it would be. He hastened the process so much that to the glory of God, we got the keys to the house in October. Praise the LORD!!!
God is ever-faithful to His promises and can never fail.

Forget Not All His Benefits

Praise God! This is the 7th edition of PPN NEWSLETTER. We thank God for the successful publication of the newsletter, and we will not forget all His good deeds towards us in PPN, in the first half of 2025. Halfway into the year is about the time that some people begin to assess their achievements against their yearly goals. When the assessment does not measure up, some people take it as a wake-up call to buckle up, while others may feel agitated or defeated.

Whatever your disposition, be guided by the Word of God - forget not all His benefits (Psalm 103:2), encourage yourself in the Lord (1 Samuel 30:6), for the hope of the righteous results in joy (Proverbs 10:28) because, He who began a good work in you will perform it (Philippians 1:6).

"Forget not all His benefits" is a call to always put on an attitude of gratitude; a call to remember, recognize and rejoice over, even the minutest act of God's faithfulness in our lives that we often take for granted such as the breath of life, sleeping and waking up, health, daily provisions, friends and families, forgiveness of our sins and redemption.

Be grateful and give thanks to God at all times, for this is His will concerning you (Psalm 34:1; 1 Thessalonians 5.18). Even in times of adversity, Job acknowledged God's goodness, and demonstrated unwavering faith (Job 1:20-22); Paul and Silas sang unto God in the prison, thus affirming their unshakeable trust in God, leading to their release (Acts 16:25-26). Just as we are encouraged to "Forget Not" God's good deeds towards us, the Bible also enjoins us to "Forget Not" to do good deeds for others from the benefits God has given us, for He is pleased with such sacrifices (Hebrews 13.16).

Based on Psalm 103 verses 1 and 2, let your prayer be - *O LORD, I bless You with my soul: and I use everything in me, to bless Your holy name. O LORD, I bless You with my soul, and I will not forget any of Your benefits. Amen.*

Testimony of Conception, Pregnancy and Safe Delivery

Praise the Lord ! Praise the Lord !!
Thank God for His faithfulness over my life and my family
I met Pastor at the PPN Edinburgh Conference 2024.
At that time I had just had a miscarriage.
I told him what happened and he prayed for me

God told me that when I get pregnant I should let pastor know.
By the grace of God, after the Conference, I got pregnant and informed pastor. Throughout the pregnancy, till the day I delivered, Pastor was there for me. God really used him to help my family and I. Any time I called him, even in the middle of the night, he would pick the call and pray with me.

Though the pregnancy was a very challenging one, by the help of God, with the support of my husband and Pastor, God took control. I went through the pregnancy and had a safe delivery.

After the birth, there were challenges, as my baby had low oxygen.
We called pastor, who prayed, and the baby was healed.
I was also delayed at the hospital because I was unwell.
Pastor also prayed for me and we were discharged from the hospital.
I pray that God will bless pastor, his household, and his ministry. Amen.
