Pastoral Corner

Welcome to the month of May, your new season of breaking forth. The floodgates of heaven are open!

By the mercy of God, this year, we have recorded a number of testimonies, and we are still counting. Congratulations to those who have been harvesting their miracles. You are next in line. Believe God to do the impossible and avail yourself of the PPN Programmes publicised. They are all anointed.

We specially invite you to the 40-Night Tsalach Prayers, put together by divine direction, to mark the period of forty days after the resurrection, when Jesus appeared to His disciples (Acts 1:3). Jesus is still alive, encountering believers, teaching followers, and rewarding faithful servants (Hebrews 11:6).

In this Tsalach prayers, Jesus will prosper you. Receive grace to pray, tarry, and carry your miracles.

Miraculous Healing after Day 6 Tsalach Prayers

Good morning, Pastor, I got healed last Sunday during the **Day 6 Tsalach Prayers.** I had back pain, and it affected my left thigh. I had to plan to get up so as not to exacerbate the pain on the thigh and ended up leaping to move around. You mentioned it by the word of knowledge. After the word of prophecy, the pain is gone, and I can sit and stand without thinking about it. Praise God-hallelujah !!!!

Supernatural Favour of a Plot of Land After Prophetic Declaration at the Ongoing Tsalach Prayers

I have come to return all the glory to the God of Heaven for His Mercies and Kindness. By the grace of God, I have been attending the 40-Night Tsalach prayers even to the discouragement of my husband, who scolded me for such sacrifices. I was located by prophecy on Day 3! I have not owned a land after working for almost 13 years, but early this morning, my boss gifted me a plot of land in a choice estate to the glory of God 💯 We proclaimed God's blessings for the weekend, and mine came on Monday morning. Praise the Lord!!! God bless you, Pastor. You have been a blessing to me and my family.

Sharpen the Sword

What good is a blunt sword in the hand of a warrior? (Ezek. 21:9-10). In the physical, battles are fought with swords, but the word of God is the sword of the spirit (Eph. 6:17). For we wrestle against spiritual forces (Eph. 6:12). Christ Himself who is the Word incarnate (John 1:1&14; Rev. 19:13) used the Word of God as a defence against temptations (Matt. 4:1-11). The word of God is sharper than any two-edged sword (Heb. 4:12), but we must sharpen it (Deut. 6:6-9) so as to obtain maximum effectiveness.

We sharpen the Sword by consistently meditating on the word, and keeping a close relationship with the Holy Spirit, who empowers us to rightly divide the word of truth (2 Tim. 2:15; John 14:26). The Spirit also anoints us (1 John 2.20) to effectively use the word, which is the sharp sword to fight the enemy (Rev. 19:13).

Spiritual war is continuous (1 Tim. 6:12); and fierce battles call for sharper weapons. As we press for a breaking out and a breaking forth in this season of Tsalach, we are encouraged to intensify our 'sharpening' exercise, to achieve flaming swords.

The battle is the Lord's (1 Samuel 17:47). Christ, won the battle for us (1Cor. 15:57) by overcoming death on the cross. We need to claim this victory through the word, which is quickened by the Spirit (John 6:63). May we find grace to always sharpen our sword. Amen.
