NEWSLETTER

Pastoral Corner

Welcome to February; and to this month's edition of our Newsletter, aimed to keep you edified and informed of our activities.

Our activities, as instructed by God, are designed to increase our understanding of Christian requirements, and help us build praying stamina so we can partake of the healing and deliverance offered to us by Christ Jesus (Matthew 10:8, Matthew 17:21 & Matthew 26:40). In the light of this, PPN will have a Leaders and Minsters Retreat this February, and it promises to be spiritually refreshing and energising.

The 40 Days Prayer and Fasting Programme, which started on the 6th of January, continues this month. God is ready to deliver us, and has instructed eight days of communion in this programme. To the glory of God, we have had five of the communion services and they were all awesome times in God's presence with many of us experiencing miracles and already basking in the euphoria of Greater Glory Expansion!

Join us live daily on YouTube or Facebook for the concluding sessions, with three more communion services this month. Be spiritually ready for the 2025 journey; And wake up every day with testimonies, as the Lord will daily load you with His Blessings. Amen.

Testimony

Testimony of Complete Healing of a Mysterious Hand Injury after the 'Deliverance of the Hand' Prayers

My hands were healed. I had a dream before I left Nigeria that my right hand was attacked with an arrow, and I felt it as I woke up.

When I got to Canada, I fell at work and broke that right hand and was out of work for a while, after physiotherapy and putting in a cast, the hand healed but never remained the same again I couldn't turn it completely. After the prayer tonight on the hands, I started feeling pain on the hand, and after Pastor's prayer, I realised I could turn my hand completely, which I couldn't do before. I give God all the glory for his healing and deliverance.

QUIZ

Who are the people that fasted for 40 Days in the Bible?

(See Page 2 for Answer)

The Fast Lane – 'Speeding off' or 'Waiting on'

Fast connotes high speed in the physical, and is mostly gratifying. However, spiritually, Fast means 'waiting on the Lord' and involves depriving ourselves of physical desires like food, while engaging spiritually. The Israelites ate bread made without yeast during their fast in Ex.13:3 but Jesus fasted and prayed for 40 days eating nothing (Matt. 4:2).

Encouraging His disciples, Jesus said, 'this kind goeth not out but by prayer and fasting' (Matt. 17:21). This implies that fasting, with prayer, has benefits, which include victory (Est. 4:16; & 7:9-10).

Prayer Power Network kick-started this year with Prayers and Fasting, which is still running and, already birthed testimonies to the glory of God! Have you keyed in and 'Waiting on' the Lord or are you 'Speeding off'? Speed in itself is not bad, but it is better to speed off in the right direction. May we not speed off into the wrong lane, but wait on God for His direction. May the Lord grant us grace to wait on Him WISELY as we are able to (Ex 34:28; Dan.10:3; Is.58:6 Matt 6:16), for renewal, direction, victory and the firing up of our spirit. Amen.
