Pastoral Corner

You are welcome to our first newsletter. This is Prayer Power Network (PPN), where everyone is welcome. It is God's desire that we all know Him and experience peace, especially in this Yuletide season. Regardless of who you are or where you are, God has a plan for you; we are here to help you with this journey to destiny.

Our mission is to reveal the healing and deliverance power of Jesus to as many that are afflicted and held bound by the power of darkness, and also raise a generation of prayer giants for the end time move of God. Luke 4:18, Mathew 4:24, Mathew 8:16, Luke 18:1

Join us in this 2025 journey, starting with the 40 Days Prayer and Fasting. It's our year of Greater Glory Expansion! The Lord has promised and spoken good concerning us.

Testimony

Testimony of a Miraculous Job after 10 Years

I want to thank God for showing me mercy. After graduating from university in 2014, I have not been able to secure a stable job in my discipline. I have not yet used my certificate to work. I have been depressed for so long and almost gave up, but thank God for his son, Pastor Henry Onyirioha. And for the prayers and power-packed programs. On one of the midnight programs held in February, Pastor Henry made a prophetic declaration about somebody who has not used his University Certificate since 2014, that God will give that person a job, where he can use his certificate.

I felt he was talking to me. I was skeptical but by faith, I claimed this prophecy and by the mercies of God, during the month of March, I got called for a job interview and till now, I still can't get how God did it because at the interview, I was treated and addressed like an employee, and less than a week I was given the job. God has turned my shame into joy.

Happy New Year

Strength to Strength; Glory to Glory

Progress is one essential aspect of life, which many crave for; and the year-end is one period that people take stock of their progress. No matter your stock taking verdict, if you are reading this now, you have at least made progress from being alive on January 1st 2024, to still living by December 31st 2024. Congratulations and to God be the Glory!

Progress is also God's desire for His children. 'He who began a good work in you will bring it to completion' (Philippians I:6) and 'They go from strength to strength...' (Psalm 84:7). Yes, strength to strength, for those whose heart long for God, who dwell in God's presence, who praise God, who trust in God, and who walk uprightly. 2 Corinthians 3:18, also, speaks of moving from glory to glory, in the Christian journey.

Progress, a movement towards a better position, requires our purposeful actions and the sovereign will of God - for He worketh all things after the counsel of His own will (Ephesians 1:11). Ecclesiastes 9:11, which says the race is not to the swift, emphasizes that we should not solely rely on our own strength, but to put our trust in God.

In this New Year, we wish you progress in 2025. We pray that you grow from strength to strength and from glory to glory in Jesus' name. Amen!
